

Charity Volunteer Role – Appeal Supporter

Appeal Supporter

Would you like to support an appeal run by Bradford Hospitals' Charity in your local community? If the answer is yes, we would love to hear from you.

What we do

The Bradford Hospitals' Charity raises vital funds to support the work of Bradford Hospitals to ensure the best quality of care is provided to patients and their carers.

Activities you will be involved in

As an Appeal Supporter, you will help us to promote our public appeals in the area by:

- Displaying appeal materials in the local community such as posters and leaflets
- Working with the local Volunteer Centre in Bradford to recruit new appeal supporters
- Attending community fairs with appeal literature and organising events to raise funds for the appeal
- Recruiting local businesses and companies to support our appeals and providing them with fundraising merchandise to assist them in their efforts
- Giving talks to schools and local groups to raise the profile of the appeal

Skills desired

- Enjoy meeting new people
- Feel confident managing and supporting others
- Looking for a new challenge
- Passionate about your local hospitals

Benefits of volunteering

Volunteering is a great way to give your time for a fantastic cause. By volunteering for the charity you can make new friends, build confidence, learn and develop your skills and have lots of fun along the way.

Other information

We ask our volunteers to only give as much time as they can. Our roles are designed to accommodate your particular interests and we always try to work around you. The Appeal Supporter role will require some flexibility as attending community fairs may take place on a weekend. If you don't have your own transport it would be an advantage to have access to good transport links. We will ensure you are inducted into your role and our organisation and we also provide opportunities throughout the year for you to meet other volunteers. On-going support in your role will be provided.
