Other information

We ask our volunteers to only give as much time as they can. Our roles are designed to accommodate your particular interests and we always try to work around you. This role will require some flexibility as attending events may take place on an evening or weekend. If you don't have your own transport it would be an advantage to have access to good transport links. We will ensure you are inducted into your role and our organisation and we also provide opportunities throughout the year for you to meet other volunteers. On-going support in your role will be provided.

For more information about any of the above roles please contact the Fundraising Office on 01274 274809 or email charity@bthft.nhs.uk
