- Supporting others raising funds for us in the area
- Working with the local media

- Confident speaker
- Passionate about your local Hospitals and the NHS

Benefits of volunteering

Volunteering is a great way to give your time for a fantastic cause. By volunteering for the charity you can make new friends, build confidence, learn and develop your skills and have lots of fun along the way.

Other information

We ask our volunteers to only give as much time as they can. Our roles are designed to accommodate your particular interests and we always try to work around you. The Local Ambassador role will require some flexibility as giving talks to local groups may take place on an evening and events may occur on a weekend. If you don't have your own transport it would be an advantage to have access to good transport links. We will ensure you are inducted into your role and our organisation and we also provide opportunities throughout the year for you to meet other volunteers. On-going support in your role will be provided too.
